

DIRECTV® HD RECEIVER

H25

The future of television is clear.

Image for illustrative purposes only.

The DIRECTV H25 HD Receiver is a great way to ensure your customers get the best DIRECTV experience possible. When combined with DIRECTV® Whole-Home DVR Service[†] the H25 allows customers to enjoy recorded content from any connected DIRECTV Plus® HD DVR. The new, compact size allows for even more flexibility during system set up. The H25 is the ideal solution for customers who require HD service without DVR capability.
